SEPTEMBER:
24/9/2019

DECEMBER:
18/12/2019

APRIL:
21/4/2020

Required knowledge to access

For admission to the Master Course in Coastal and Marine Biology and Ecology, the candidate must be in possession of three-year degree or three-year university degree or another equivalent qualification obtained abroad.

The candidate must possess the following curricular requisites (expressed in terms of ECTS (i.e., CFU) referred to the areas listed groups):

- 1) GROUP 1 (General Botany, Systematic Botany, Environmental and Applied Botany, Zoology, Ecology): from 6 to 40;
- 2) GROUP 2 (Comparative Anatomy and Cytology, Physiology, Biochemistry, Genetics, Microbiology): 6 to 20;
- 3) GROUP 3 (Mathematical Analysis, Probability and Mathematical Statistics, Mathematical Physics, General and Inorganic Chemistry, Organic Chemistry): 5 to 20.

The candidate, to be admitted to the next evaluation of the adequacy of personal preparation, must have a total of at least 60 credits (calculated as the sum of the CFU achieved in the three groups of subjects listed above).

Notes:

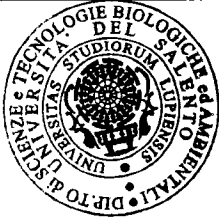

Candidates are strongly recommended to pay attention to the content of the art. 24 of the "*Bando generale di ammissione ai corsi di studio a numero programmato ed ai corsi di laurea magistrale A.A. 2019/2020.*" (<https://www.unisalento.it/didattica/cosa-studiare/manifesto-degli-studi>).

Modalities of verification of initial preparation

For the assessment of personal preparation to admission to a Master of Science (article 6, paragraph 2 and art. 11, paragraph 7 of DM 16 March 2007), applicant students will carry on a selection interview in English. The interview will include the verification of the individual preparation with reference to scientific areas obtained by the student in previous career, and that contributed to the possession of the curricular requirements. In addition to the above requirements, applicants must have an adequate knowledge of English to be assessed during the admission interview. Upon completion of the entrance examination, an alphabetical list of admitted students will be issued, with the results of the selection ("admitted" / "not admitted").

The list of the admitted candidates will be formulated according to the following criteria

After completion of the oral admission test, the Board of Examiners will prepare a list of all candidates (in alphabetical order) with the indication of their test result ("admitted" / "non admitted").

The admission test will evaluate

the adequacy of the preparation achieved by candidate students in their previous careers, with reference to scientific areas/disciplines that contributed to the possession of the curricular requirements.
