Required knowledge to access

Admission to the Master's Degree (Corso di Laurea Magistrale) in Coastal and Marine Biology and Ecology (Biologia ed Ecologia Costiera e Marina) requires the possession of a three-year degree or a three-year university diploma, or any other title obtained abroad and recognized as suitable.

To be enrolled in the Master's Degree in Coastal and Marine Biology and Ecology (Biologia ed Ecologia Costiera e Marina), candidates must possess the following curricular requisites (expressed in terms of CFU University Formative Credits referred to the groups of sectors listed below):

- 1) GROUP 1 (Botanica Generale, Botanica Sistemica, Botanica Ambientale e Applicata, Zoologia, Ecologia): from 6 to 40;
- 2) GROUP 2 (Anatomia Comparata e Citologia, Fisiologia, Biochimica, Genetica, Microbiologia): from 6 to 20;
- 3) GROUP 3 (Analisi Matematica, Probabilita' e Statistica Matematica, Fisica Matematica, Chimica Generale ed Inorganica, Chimica Organica): from 5 to 20.

To be admitted to the following evaluation of the adequacy of their personal preparation, candidates must have at least 60 CFU's (calculated as the sum of the possessed CFU in the three disciplinary groups reported above). In addition to the requisites listed above, students must also possess adequate knowledge of the English language. This knowledge will be evaluated during the test of the initial preparation. These requirements are not applicable to English mother-tongue students.

Notes:

Candidates are strongly recommended to pay attention to the content of the art. 34 of "Bando generale di ammissione ai corsi di Laurea triennale e di Laurea magistrale A.A. 2015/2016" (https://www.unisalento.it/web/guest/manifesto_degli_studi).

Modalities of verification of initial preparation

To verify the adequacy of the personal preparation for the admission to the Master's Degree (art. 6, par. 2 and art. 11 par. 7 of the DM of 16 march 2007), each student will have to pass an oral admission test aimed also at verifying his/her knowledge of the English language.

The list of the admitted candidates will be formulated according to the following criteria

After completion of the oral admission test, the Board of Examiners will prepare a list of all candidates (in alphabetical order) with the indication of their test result ("admitted" / "non admitted").

The admission test will evaluate
the adequacy of the preparation achieved by students in previous careers.
